Tria Age-Defying Eye Wrinkle Correcting Laser
Item #: TADEWCL
\$249.00

Breakthrough anti-aging laser that is uniquely designed for treating the eye area. The FDA-cleared Age-Defying Eye Wrinkle Correcting Laser corrects fine lines and wrinkles around the eyes for eye-opening results in just 2 minutes a day.

Tria Age-Defying Laser
Item #: TLAD
\$495.00

An FDA Cleared Age-Defying Laser sends targeted beams of light deep within the skin to support natural collagen production the exact same way that the professional treatments do. It treats skin from within: beams of light penetrate the skin to create microscopic zones of cellular disruption. The skin feels warm, but the surface is left undisturbed. It stimulates natural healing: the body's natural healing process springs to action, working to rapidly heal the treated areas by stimulating natural collagen production.

Tria Precision Hair Removal Laser
Item #: TRHRLP
\$299.00

Precision Hair Removal Laser uses professional-strength laser hair removal technology to effectively remove unwanted hair. It targets the pigment in your hair and permanently disables the hair follicle's ability to regrow. It delivers laser-smooth skin and permanent results in as little as three months in small, sensitive areas
